

Here is the supply list for “Canadian Road Trip With Watercolours” at ELLA Online.

Please Note: “Canadian Road Trip With Watercolours” is a lecture/demonstration format. This means that each project will be demonstrated with instructions on how the project is developed. You will not have time during the lecture/demonstration to follow each project. If you want to try any of the projects be prepared to do ‘screen captures’ or photographs of the various stages of the painting. Then request the source image to be emailed to you. My email is; frank@frankhaddock.com Once you have the image you can print it and then proceed to the painting with your screen captures as reference.

Please read the supply list thoroughly to be sure you are purchasing the correct materials. If in doubt please email; frank@frankhaddock.com Supplies need to be purchased in an art store where the range of materials will allow participants sufficient choice. Many art stores have ‘curb side pick up’ so it is best to phone ahead to place your order.
